

NEP 2020 recommends transfer of credits for learning across institutions. This enables the learner to learn from centres of excellence for specific courses/ skill sets. Academic Bank of Credit is a online platform for credit accumulation and transfer for individual learners. ABC id has to be created by a learner to accumulate the credits.

Sri Ramachandra Institute of Higher Education and Research, has sensitised the students to create ABC id. An online program has been created to follow up the students for such registration.
